RE: REACH 1907/2006/EC

Dear Sir or Madam:

The Panduit catalog products listed below are in compliance with Regulation (EC) No 1907/2006 of the European Parliament and of the Council of 18 December 2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH), establishing a European Chemicals Agency, amending Directive 1999/45/EC and repealing Council Regulation (EEC) No 793/93 and Commission Regulation (EC) No 1488/94 as well as Council Directive 76/769/EEC and Commission Directives 91/155/EEC, 93/67/EEC, 93/105/EC and 2000/21/EC.

These products are sold as they are intended to be used, requiring only mechanical alteration during the installation process. As such, these products are considered “articles without release” under REACH, and no registration requirements exist. None of these products knowingly contain any of the “Candidate List of Substances of Very High Concern for Authorization” (SVHC) as identified on the ECHA Website as of the date of this letter that exceeds the 1000 ppm threshold. The information on Panduit Parts in this letter is based upon information provided by suppliers of the raw materials used by Panduit to manufacture these products. As such, Panduit makes no independent representations or warranties, expressed or implied, and assumes no liability in connection with the use of this information.
