

EPA's Toxic Substances Control Act (TSCA) Section 6(h)

Adam Tech fully supports and hereby certifies full compliance with the requirements of the EPA's Toxic Substances Control Act (TSCA) Section 6(h). This letter is to certify that all of Adam Tech's products (Including raw material manufactured or purchased from our raw material supply chains) do not contain any of the persistent toxic chemicals listed in the TSCA's inventory list per the below provided link.
